

# ΤΟ ΜΥΣΤΗΡΙΟ ΤΟΥ ΕΥΧΕΛΑΙΟΥ THE MYSTERY OF HOLY UNCTION

God provides us with a special blessing and support during times of illness - This blessing of God is given through the Mystery/Service of the Holy Unction or «Ευχέλαιο» (Efhelaio in Greek). This mystery takes place in the Church but can be done at our home also.

The olive oil is used by the Church as the means of the transfer of the blessing and Grace of God to the sick person. Readings from the Gospel that refer to the cures and healings of people by Jesus are read during the service. At the end of the service we approach the priest who smears us with the blessed oil. At the same time, he also prays to God that He may grant to us the health of our body and our spirit.

Cross out any letters that appear 6 or more times in the grid below. The remaining letters will spell out a special message.
